

DEATH / THRASH — INLAND EMPIRE, CA

Vile Intention

PRESS KIT · 2026

Five guys, a stack of amps, and no interest in cleaning it up. Vile Intention plays it fast, plays it heavy, and plays it like they mean it. Every time they get on a stage.

“LAST NIGHT WAS A VIBE. WE PULLED UP AND LET EM KNOW HOW THE VILE BOYS GET DOWN.”

THE BAND

Five guys who'd rather be loud than polished.

No big mystery. Just a rehearsal space, too many riffs, and a room full of people who came out to hear them.

Vile Intention is an Inland Empire, CA death/thrash band built on speed, low tunings, and zero interest in playing it safe. Onstage, the goal is the same every night: hit hard, keep the pit moving, and leave the room wanting the next show.
